

## 05.2.4: Live Lab: Conducting Cloud Cost Analysis

Cloud+ (Exam CV0-004)

Duration: 1 hour, 20 minutes

Congratulations, you passed!

☒ What operating systems are available? (Select all that apply)

Score: 1

- ☒ Windows
- ☒ Linux
- ☐ Solaris
- ☐ BSD
- ☐ Unix

Correct

☒ Did the price change?

Score: 1

- ☐ The price increases
- ☒ The price decreases
- ☐ Undetermined

Correct

☒ Which of the following are available Support plans? (Select all that apply)

Score: 1

- ☒ Developer
- ☒ Included
- ☒ Standard
- ☒ Professional Direct
- ☐ Unsupported
- ☐ General

Correct

☒ What affect does the change from Included to Standard Support have on the estimate?

Score: 1

- ☒ The price increases
- ☐ The price decreases
- ☐ No change

Correct

Confirm that you have downloaded the Azure cost estimate.

Score: 1

Correct

Did the price change?

Score: 1

- ☒ The price increases
- ☐ The price decreases
- ☐ Undetermined

Correct

Confirm that you have downloaded the AWS cost estimate.

Score: 1

Correct
